### **LOW VOLUME VEHICLES - IMPLEMENTATION DATE FOR COMPLIANCE WITH ADR 69/00**

For the purpose of the implementation date for compliance with ADR 69/00 for Low Volume vehicles, any models where the build date of the first vehicle of that model is prior to 1 July 1995 will be considered not to be a new model. Therefore, the implementation date for these vehicles will be 1 January 1996 (i.e. the implementation date for all MA vehicles).

Low volume procedures for the demonstration of compliance with ADR 69/00 will be advised in due course.
